

NIEM SLTT TIGER TEAM

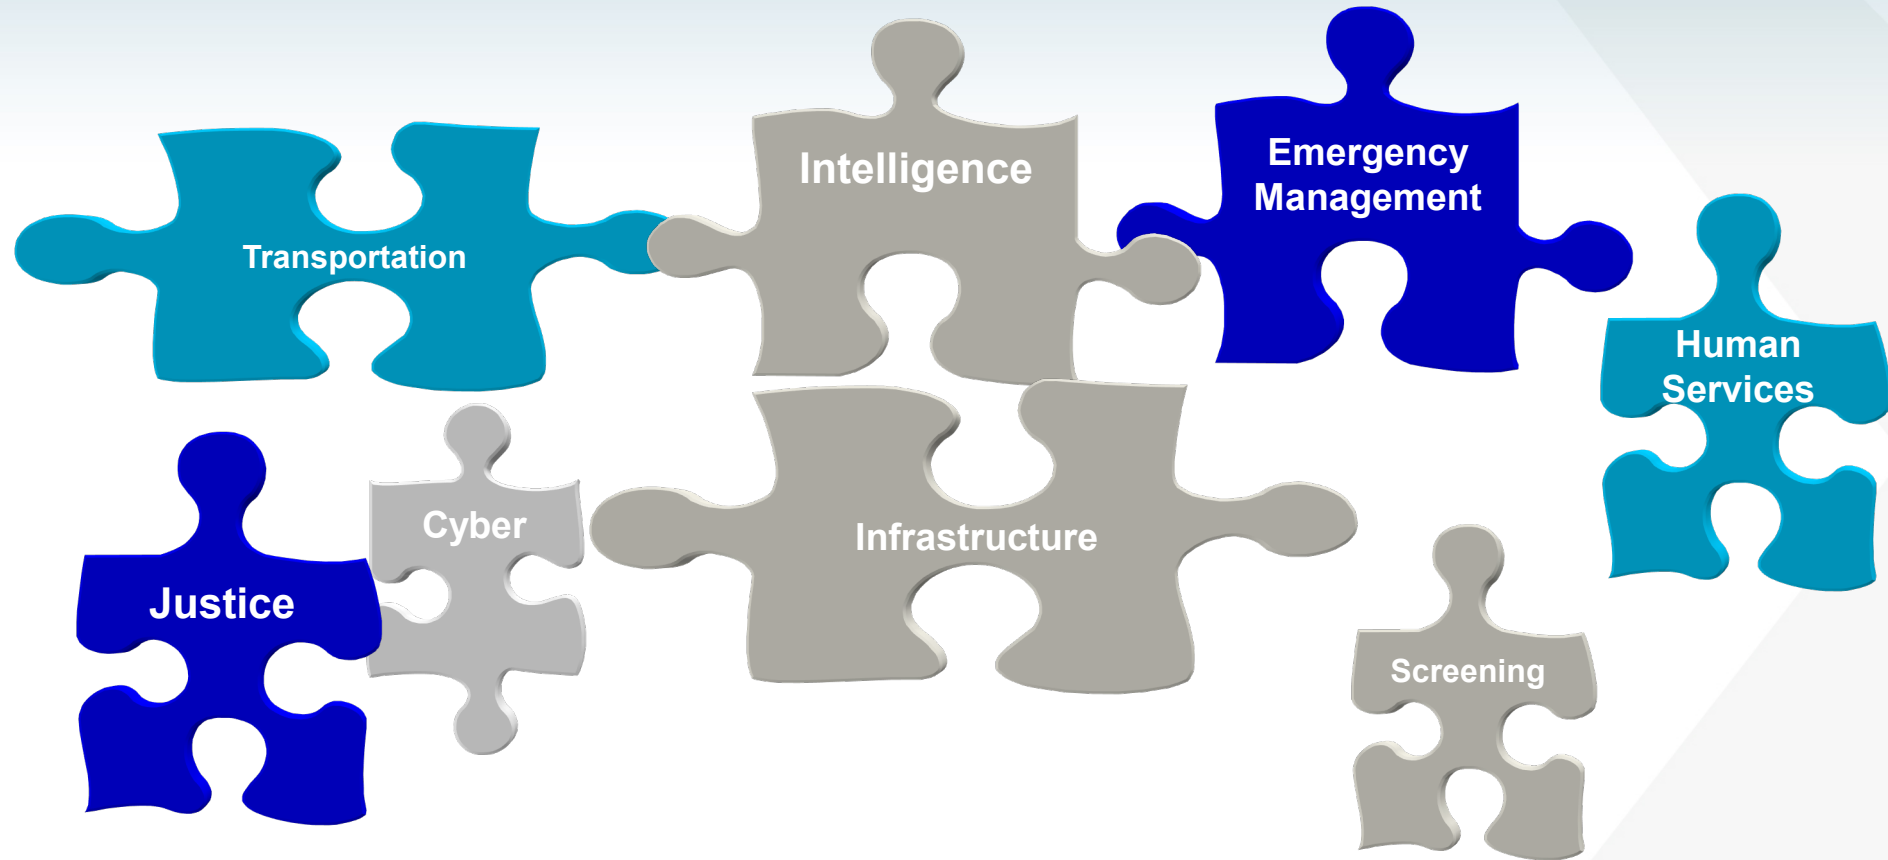

State, local, tribal
and territorial
information
exchange

MISSION:

**INCREASE THE USE OF NIEM TO FACILITATE CROSS
DOMAIN INFORMATION EXCHANGES FOR SLTT
AGENCIES AND ORGANIZATIONS TO IMPROVE THE
SAFETY AND QUALITY OF LIFE FOR OUR CITIZENS**

TERRORISM SCATTERED PIECES TO THE SOLUTION

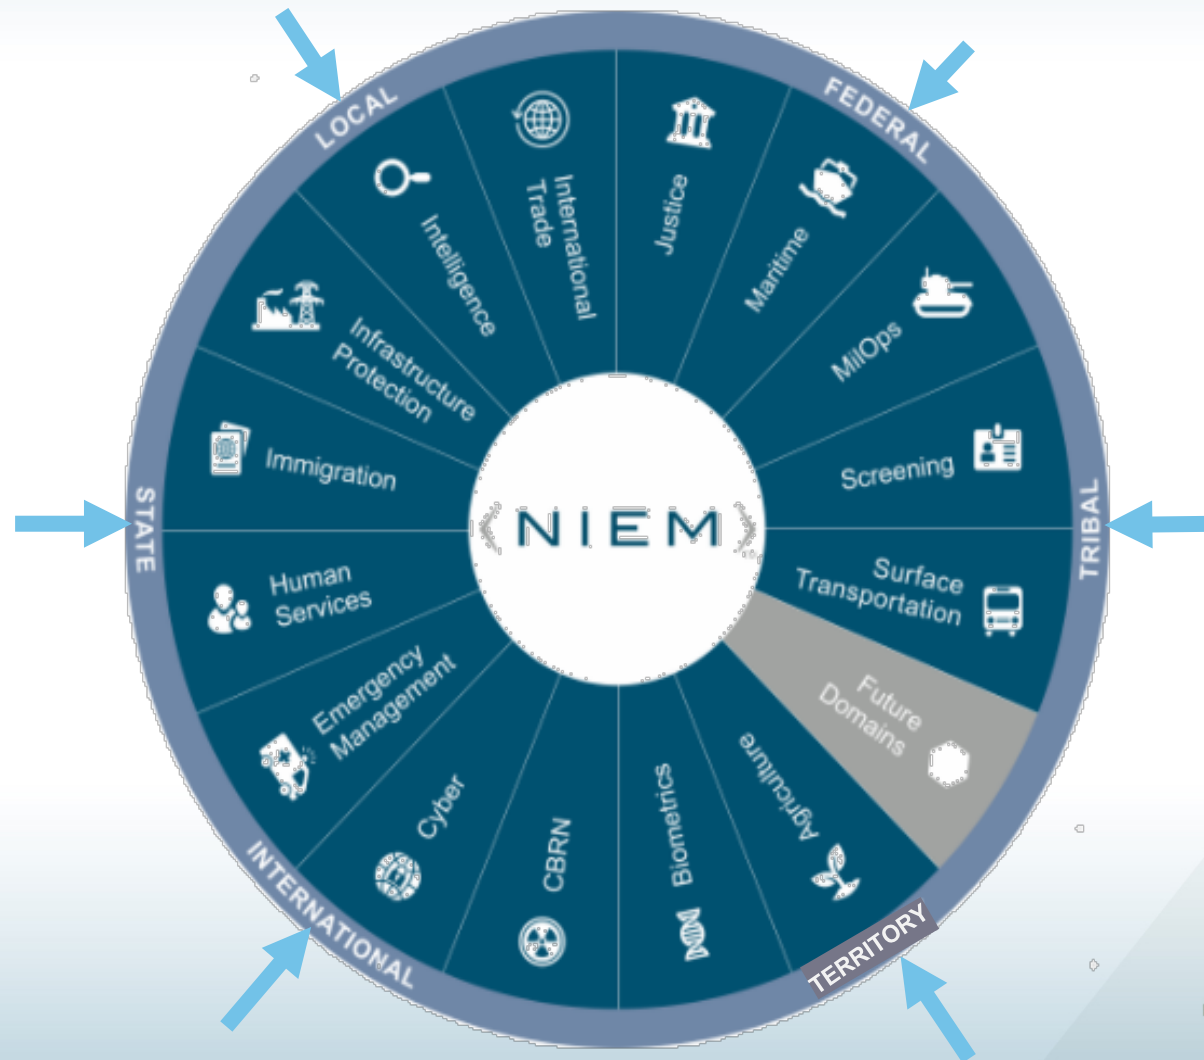

Jurisdictions must bring about
results with the sense of
urgency this cause truly merits.

Domain Solution Homogenization

Lives are at stake!

DOMAIN HOMOGENIZATION FOR SCENARIOS

STRATEGIES

- Define Market Priorities
- Analyze NIEM contributions
- Establish clear business case
- Communicate with market segments
- Build and energize resources for implementation
- Establish a sense of controlled urgency

TACTICS

- Cross Domain solution focus
- Work with NASCIO to increase state level participation in relevant domains
- Work with NACO and PTI to energize county and city participation
- Work with IJIS to engage industry support and NIEM representation
- Create an active community exchange
- Promote special conditions on grants related to information sharing
- Increase communications to SLTT influencers

2021 STATE CIO PRIORITIES

1. Cybersecurity and risk management
2. Digital government/digital services
3. Cloud services
4. Broadband/wireless connectivity
5. Budget, cost control, fiscal management
6. Data management and analytics
7. Consolidation/optimization
8. Identity and access management
9. Workforce
10. Customer relationship management

Identify Priority Scenarios

- Vaccinations Registry
- Virus Test Results
- Cyber Incident Reporting
- FEMA Claim Submission
